Campaign 2000 welcomes the new Canada Child Benefit (CCB) – a once-in-a-generation social policy to reduce child poverty.

# 11

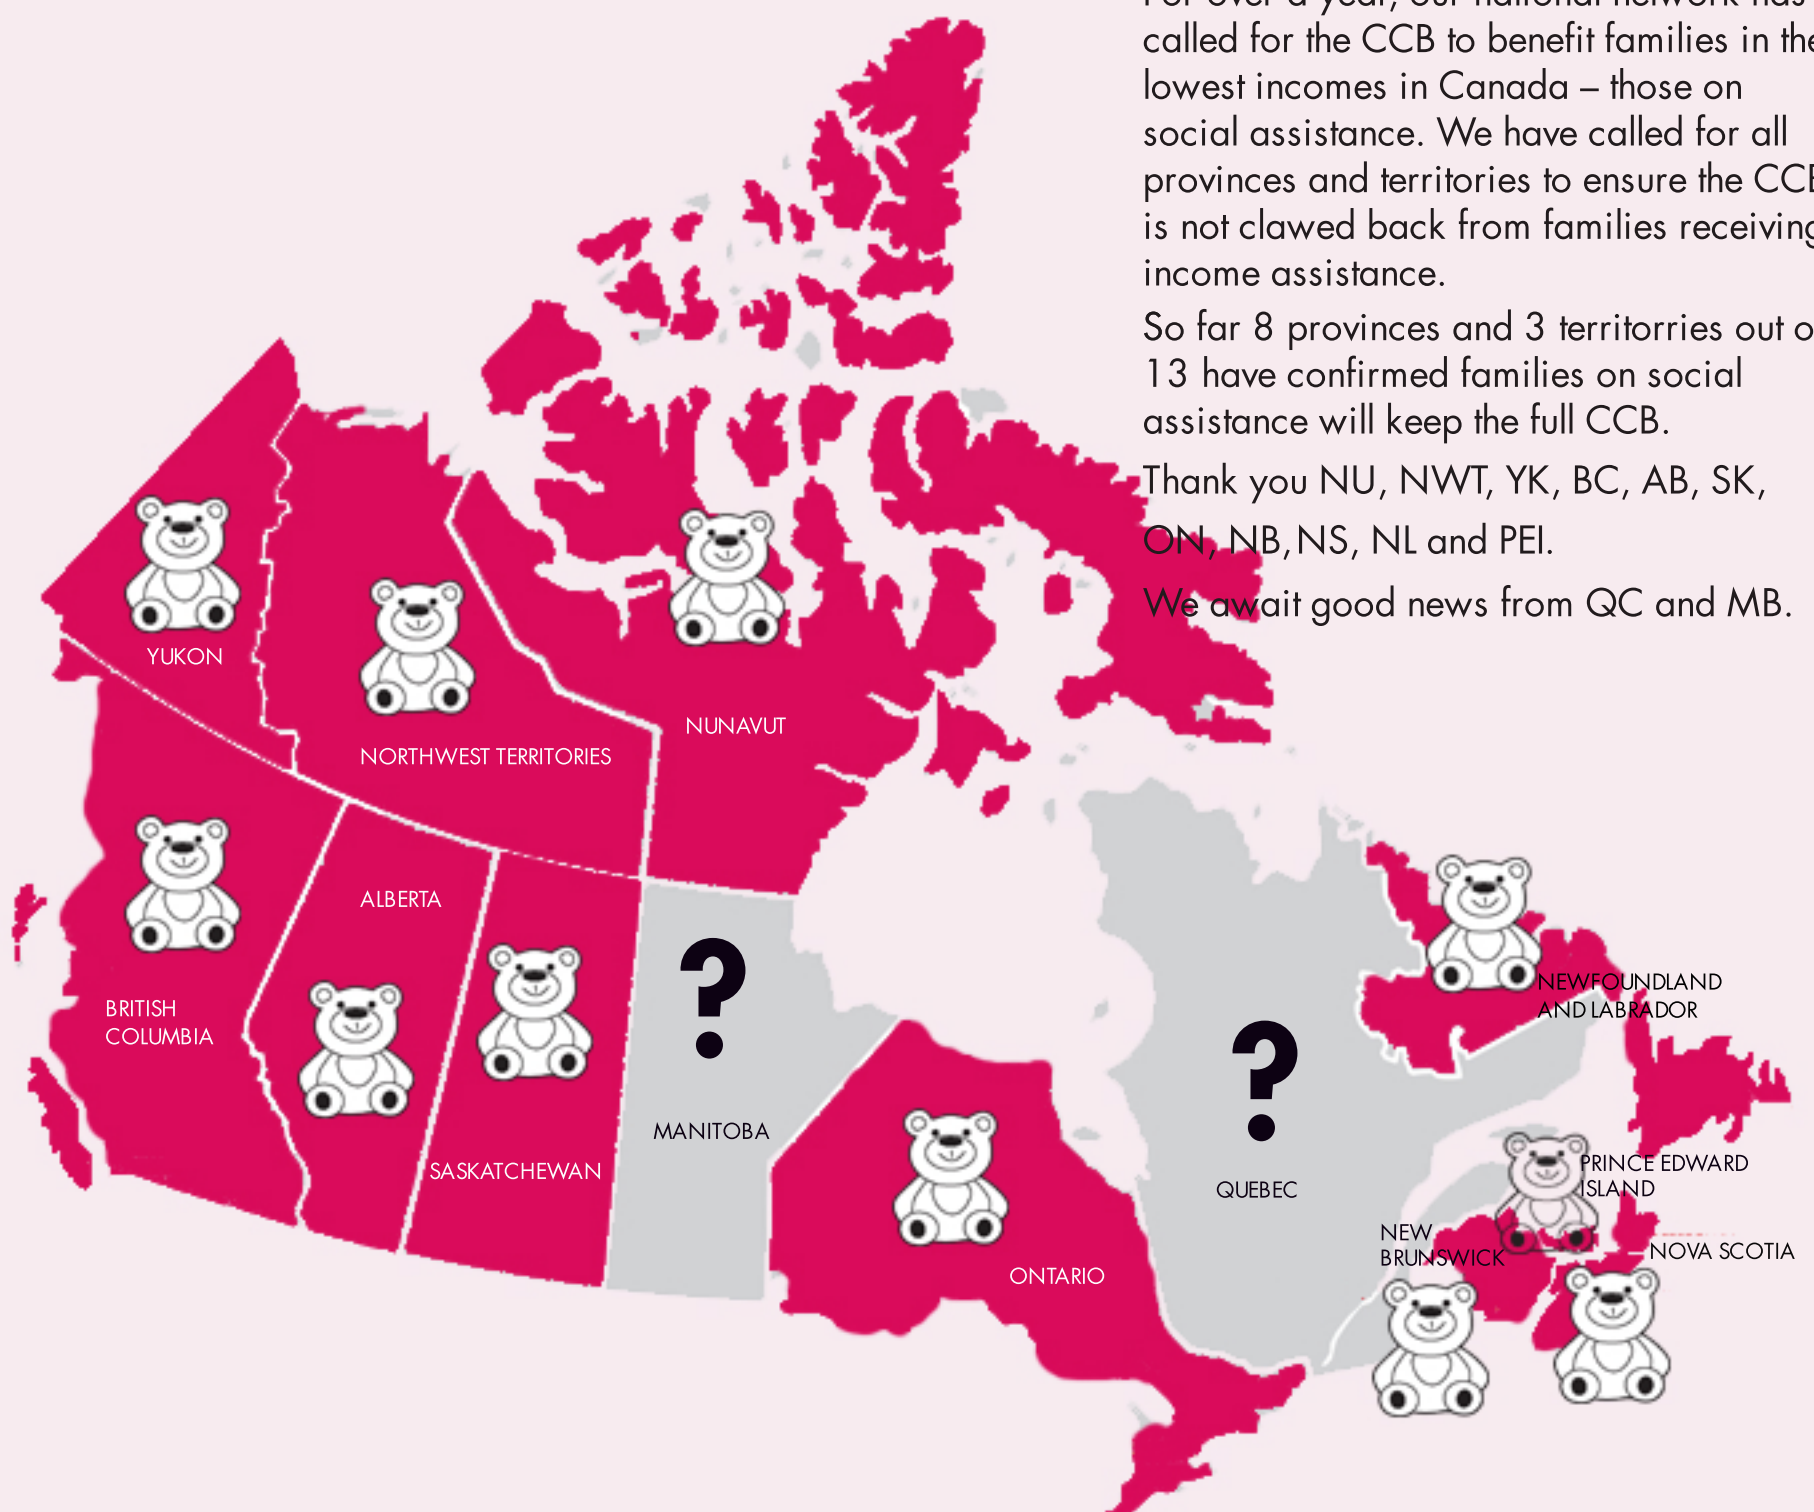

**8 PROVINCES & 3 TERRITORIES  
WILL NOT CLAW BACK CCB  
FROM CHILDREN ON SOCIAL  
ASSISTANCE**

For over a year, our national network has called for the CCB to benefit families in the lowest incomes in Canada – those on social assistance. We have called for all provinces and territories to ensure the CCB is not clawed back from families receiving income assistance.

So far 8 provinces and 3 territories out of 13 have confirmed families on social assistance will keep the full CCB.

Thank you NU, NWT, YK, BC, AB, SK, ON, NB, NS, NL and PEI.

We await good news from QC and MB.
