

To Do List for a Poverty Free Canada

Today's Reality

 1.2 Million children live in poverty

 At least 30% of Indigenous children live in poverty

 450,000 children rely on social assistance

 42% of children in female lone parent families live in poverty

 Growing income inequality in Canada

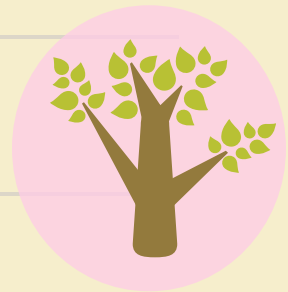

A Poverty Free Canada

 Ensure anti-poverty plans have strong targets and timelines to eradicate poverty

 Equalize funding for child welfare services and commit to poverty reduction plans

 Stabilize and increase CST to lift families out of poverty

 Implement universal childcare and pay equity

 Standardize a \$15 minimum wage and progressive taxation
